

A colourful collection for the everyday school life!

Many exciting and interesting school years are lying ahead for children. But at the end of holidays, right before school starts, there is often no mood for the everyday school life. We set up a colourful choice of articles that will sweeten the start of school. Also the School Cone can be filled with this assortment.

Get ready!

Every exciting school day starts with the early get up. But with our cute **Alarm Clock „Ladybirds“ (7547)** the start of the day will be much easier.

Next step is the daily styling and of course the teeth brushing. With our **Tooth Brushing Timer „Lisa & Tim“ (4439)** teeth will be cleaned long enough to show brilliant white smile.

Leaving home on time to arrive punctually, whether by bike or by bus, is very important. Our **Children's Watch „Numbers“ (6196)** or our blue **Children's Watch „Surfing“ (6218)** will help to arrive on schedule. The small colourful numbers on the display and the colourful watch straps make them a fancy eye-catcher.

Which books or school utensils are needed at school tomorrow? Which subjects will be taught? All now shown on our terrific **Timetable (3060)**. The books not needed at school can easily be put onto the shelf with our great **Bookends „Flower“ (6582)** or our **Bookends „Wild Animals“ (3408)**. Our **Bookmarks „Coloured“ (1984)** or our **Bookmarks „Multi-Coloured“ (2674)** will mark the current page.

You are already at home but you can't find your key in your huge bag? Use our cute **Key Rings „Clown-Flutes“ (1987)** or our **Key Rings „Animals“ (7350)**.

After school homework is waiting. In our colourful **Notebook (7912)** you can write down your tasks and also list other needful notes.

Who needs some help in mathematics can use our educational helping tools: Our **Small Abacus (4011)** or our **Calculation Sticks (1136)**. Learning the ABC may initially seem difficult but with our **Letter Chains (7553)** or our game **„Laying Words“ (7988)** it becomes easier and easier.

To do your homework you usually need some utensils. The **Pencils „Spring Figurines“ (7926)** are best for mathematics. After many exercises the pencils can be sharpened with our **Sharpener „Animal Friends“ (8126)**. A writing mistake? No problem with our cute **Erasers „Starfishes“ (6112)**. In order to draw straight lines we offer our great, coloured **Ruler (7978)**.

Tasks to be completed in a specific time scale can be put as a memo on our **Memoholder „Design“ (1782)**. This is a fantastic decoration on your desk and will remind you of important homeworks.

In order to avoid confusion on your desk, our **Stapler „Safari“ (8127)** is indispensable. Four different animals will ensure a tidy workplace .

A **Desk Set (3372)** should't be missing on any desk. The child always has a comfortable writing base and the desk top is protected from scratches. You can also draw first impressions of school on it with the smashing **Crayons „Square“ (8228)**. The **Stamp Set „Letters“ (8140)** provides some creative fun on top.

No homework to work on? Great! The pens, crayons and pencils can be stored in this nice **Pen-Holders „Cat & Frog“ (7943)**. 1 pencil, 1 biro and 1 wooden bookmark are included in the set.

Take your mind off from homework just for a little while, with this fascinating **Kaleidoscope (6735)**, the funny **Yo-Yo „Yellow & Red“ (2935)** or the jolly **Press Animals „Giraffes“ (7996)**.

With these school utensils everyday school life is fun right from the start.

We wish all children a great start for the new school year!
