

During holidays - play!

Game ideas for the holidays!

Game 1 Tic Tac Toe

The game on the go! You always have paper and pens at hand. At least two players can showcase and test out their sophisticated strategy here! Three identical symbols must be placed horizontally, vertically or diagonally next to one another.

Magnetic Tic Tac Toe

Crayons „Natural“

Game 2 Water Polo Ralley

Two teams will play in pairs. They must try to transport a ball or a balloon from one side of the pool to the other, but they can only use their head. The team that manages to get the most balls to the opposite side is the winner!

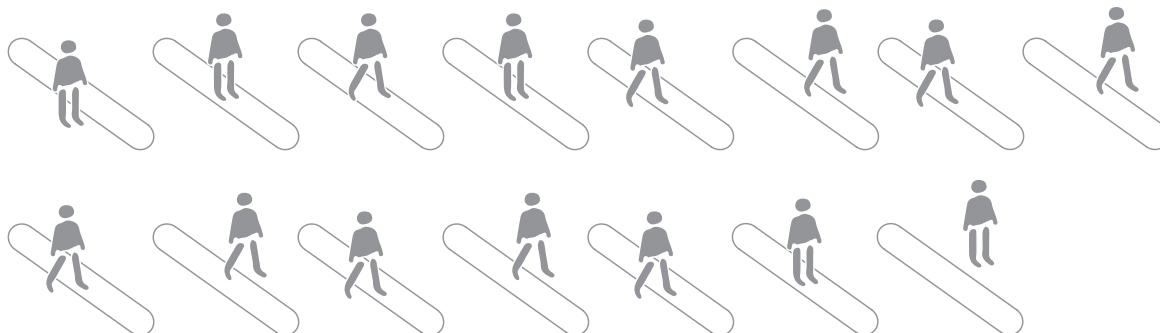

Ball, set of 3

Double balloons, 96 pieces

Game 3 Chinese Ropes

Two of the participants face each other about some distance apart, with their feet together, and position the rope around their ankles so that it is taut. The third participant (jumper) stands between the two sides of the rope and must accomplish several series of moves and sing some special rhyme. Wrong jumps result in the next jumper's turn!
