

# Game ideas for New Year's Eve

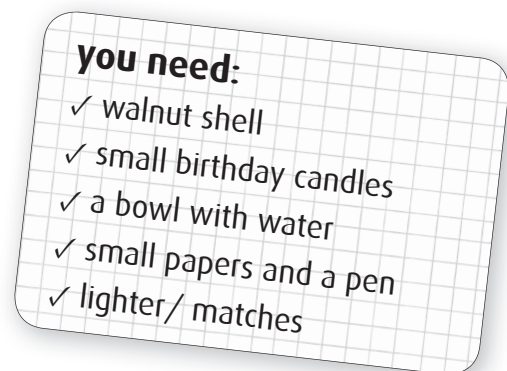

## New Years sailing

1. Put the candle in the walnut shell.
2. Write a wish for the new year on small papers, put them, at some distance between them, around the bowl with water.
3. Place the small walnut shell boat in the water and light the candle.
4. Now watch which direction the boat takes and which wish will be fulfilled in the New Year.

The little boat is driven by the heat of the candle flame.

## The best costume

The host prepares a huge sack with many different kinds of clothes and accessories (feather boa, sun glasses, blouse, skirt, cap, ski glasses, glove, handbag, wig, swimsuit, bathrobe, baby bib, costume).

1. all participants sit down on the table.
2. the player that throws a six, blindly picks out any piece of clothes from the sack and puts it on.
3. Play clockwise until the sack is empty.
4. then take pictures of your costuming and award the best!
