MORE POWER

FOR YOUR SALES!

The small foot point-of-sale concept.

Valid until 28.03.2019

MORE POWER FOR YOUR SALES!

As a stationary retailer, you're looking for customised solutions for your point of sale. Therefore, we've developed a comprehensive system of PoS presentation solutions for our small foot products which will stand in the foreground of the perfect product presentation.

Our assortment ranges from classic **sales shelves made of stable corrugated cardboard** - ideally combined with our new **modular tray concept** - and product presentation solutions such as **displays for the sales counter** and **puzzle displays** or **balance bike stands** to **additional supplies for metal shelves**.

Unpack, set up, sell out:

- Use our ready-to-use concepts for your success!
- Score big at your point of sale without additional costs!
- Increase your toy sales quickly and easily!

THE SMALL FOOT BASIC SHELF COMBINED WITH THE MODULAR TRAY CONCEPT

NEW

With our small foot Basic Shelf combined with the new **modular tray concept,** we're offering you complete freedom! This is because our **theme-specific stocked shelf trays** can be used in many versatile ways: ideally as an **insertable module in the small foot Basic Shelf**, but also as a **display for the sales counter or table** or in **your own shelves** - the trays are made to fit your needs. Flexibly applicable, these trays offer you a simple yet particularly effective **"all-in-one package"** for **relevant toy themes and seasonal events.**
