# MORE POWER

## FOR YOUR SALES!

As a stationary retailer, you're looking for customised solutions for your point of sale. Therefore, we've developed a comprehensive system of PoS presentation solutions for our small foot products which will stand in the foreground of the perfect product presentation.

Our assortment ranges from classic **sales shelves made of stable corrugated cardboard** - ideally combined with our new **modular tray concept** - and product presentation solutions such as **displays for the sales counter** and **puzzle displays** or **balance bike stands** to **additional supplies for metal shelves**.

Price list with sterling prices is available!

£

### Unpack, set up, sell out:

- ▶ Use our ready-to-use concepts for your success!
- ▶ Score big at your point of sale without additional costs!
- ▶ Increase your toy sales quickly and easily!

# THE SMALL FOOT BASIC SHELF COMBINED WITH THE MODULAR TRAY CONCEPT

With our small foot Tray Shelf combined with the new **modular tray concept**, we're offering you complete freedom! This is because our **theme-specific stocked shelf trays** can be used in many versatile ways: ideally as an **insertable module in the small foot Basic Shelf**, but also as a **display for the sales counter or table** or in **your own shelves** - the trays are made to fit your needs. Flexibly applicable, these trays offer you a simple yet particularly effective **"all-in-one package"** for **relevant toy themes and seasonal events**.

## SMALL FOOT PUSH-ALONG ANIMALS DISPLAY, WITH PRODUCTS

A standing display made of solid wood and stocked with six different push-along animals as an ideal sales promoter for your point of sale. This stable push-along animal display stand is not only attractive to look at - it's also a possibility to present the included push-along animals in a space-saving way in your store. The toys can be easily hung by their pushing poles on the six notches on the upper wooden board for an optimal hold. There's a fitting walking assistant here for every animal lover. The push-along animals are really accentuated in this naturally-finished display with the small foot logo. A practical and attractive sales promoter for your retail operation.

## WALKING BIKE STAND

With this stand, walking bikes come into their own in the sales room. Made of natural, sturdy wood, the stand provides space for one walking bike. A great parking lot for walking bikes and a good sales support for the point of sale! Without walking bike.

## WOODEN BAMBOO LETTERS DISPLAY, STOCKED

Set of 208. The bamboo trend meets creativity! This display contains trendy ABC letters made of sustainable bamboo which are particularly suitable for young novice readers due to their clear language of form. They can be individually arranged to make names, initials or words. Combined with the cute ABC Letter Monsters in the display, decorative door or nursery decorations can be created.
